This diagram shows an exploded view of a device. On the right is a main rectangular unit with a top handle, a central display or control panel, and a large rectangular opening on the front. To the left of this unit are two identical, smaller rectangular components, each labeled with the number 62. These components are shown with dashed lines indicating their alignment and assembly points with the main unit. A label 63 points to the top edge of the main unit, likely indicating a specific feature or assembly point.
